People everywhere carve out pumpkin faces, hang skeletons on their walls, buy costumes ... getting ready for devil's night and, of course, halloween. Do you know where halloween originated?

Halloween

The een in the word Halloween refers to the een or evening before the day known as All Saints Day. But, what kind of saints were these? The saints of the Bible. No, All Saints Day was originally a festival honoring the druid priests who were into the occult and who were priests of satan.

The Druids And Human Sacrifice

Halloween has clear connections with their primitive and savage rituals in 2 BC [the pre-Roman, pre-Christian Celtic communities of northern and western Europe, especially in France [Gaul], Britain, Ireland, Scotland and Wales. They were the builders of Stonehenge where they would bring humans to be sacrificed in Britain.

The druids worshipped pagan gods that included the sun god, the earth mother goddess and Sambain [lord of the dead]. Stonehedge was constructed to calculate the sun's movements and then determine the most suitable day to worship the earth mother goddess – by the sacrifice of a human! The date selected was October 31, halloween! Think about it.

Reincarnation

The druids believed in reincarnation that is contrary to the teaching of the Bible. *Hebrews 9:27*

reads, And as it is appointed unto men once to die, but after this the judgment. According to their religion, the god Sambain judged the souls and decreed in what form their existence was to continue whether in the body of a human or in an animal. They believed that sinful souls of those who had died during the year had been relegated to the bodies of animals and through various gifts and sacrifices, their sins could be forgiven and the souls freed to claim a heavenly reward. It was common for horses to be sacrificed, but there were also a lot of human sacrificed.

Men, mostly criminal, but not all – were imprisoned in wicker and thatch cages shaped like animals or giants. The druid priest set fire to these cages and the men were burned to death. They eventually included women and children in their horrible sacrifices.

Sacrifice Of Children

Please note from the Bible that Molech is the demon directly associated with the sacrifice of children. Molech was the Canaanite god of fire. To bring this more current, beloved reader, Molech is the demon directly associated with abortions. In the Bible, Molech was a demon god, that's still active today, who demanded the sacrifice of living children. As Christians, we understand that children are living at the moment of conception. Thus, abortions are the killing or sacrifice of living children.

They not only sacrificed unto false gods, but the druid rituals included eventually direct human sacrifices to the devil. They acknowledged him and worshipped him and multitudes of men, women and the little children were murdered.

Thou shalt have no other gods before Me.
Exodus 20:3

And he ordained him priests for the high places, and for the devils, and for the calves which he had made.
II Chronicles 11:15

And he caused his children to pass through the fire in the valley of the son of Hinnom; also he observed times, and used enchantments, and used witchcraft, and dealt with a familiar spirit, and with wizards: he wrought much evil in the sight of the Lord, to provoke him to anger.
II Chronicles 33:6

The Pumpkin

The men, women, or children to be sacrificed on halloween would simply be selected by the druids. They would leave a pumpkin on the doorstep of the house to replace the victim and to let the other members of the family know that no one else would be harmed. Now, every time you look at a pumpkin on somebody's front porch, you'll know what it really represents.

If you, your family, your friends or your church members have engaged in these occult practices, you should know you have opened the door to the occult. No one said that that satan

or his demons play fair. If you open the door to the occult, then the respective demons enter. Demons do not leave because you come into knowledge. The Bible is very clear on how to break strongholds. The Bible is very clear about how to take of care demonic oppression in Christians. I strongly suggest you do so ... else you, your family, your friends or your church members are living with the presence of demonic influence. I'm more than pleased to answer any questions you may have. Please post your comments.
