<p>Download applications for summer and fall training.</p>

<p>The seminars available are the 1) Healing and Deliverance; 2) Keys To Abundant Living; 3) Healing Life's Hurts; 4) Discovering Your Destiny; 5) Transforming Your Life; and 6) the Activation seminar.</p>

<p>Description of Seminars Numbers 1 - 5
 This seminar takes place in four to six, three-hour sessions each. A team of qualified team leads the group in understanding the fundamental principles of the integrated approach to healing and deliverance. To help the group attendees understand what♦s being taught in each session, the team will use a demonstrate the principles on a demonstratee.</p>

<p>Four Areas Covered in the Seminars</p>

<p>Generational Perspective</p> <p>Oftentimes we think of ourselves as one person, which we are. Have you noticed that each of us was born into a family? So from the very beginning we are connected to other people, the family unit. That being said, God has a generational view of life known throughout history as the God of Abraham, Isaac and Jacob.</p> <p>Because we are all born into imperfect families, we automatically inherit generational sin. If each person does not specifically deal with their generation sin, it remains active in your life.</p> <p>As we come to understand God♦s view and meet His conditions, we effectively deal with generational sins and curses that have come into our lives through our family line. Replacing generational curses with generational blessings

makes life abundant for us, our children, our grandchildren, our unborn children and our extended family.

Scriptures | Exodus 20:12 and Exodus 3:15

What Do You Believe

This is a simple question, but here goes. Do you know what you believe? Chances are, you really don't. Now, another way of stating this is, do you know what you make your decisions out of, do you know what attitudes you have internally that affect your relationships. One of the assets of section is teaching you how to learn what it is you really believe. This alone will change your life once you see how out of line what you believe really does not agree with God's truth.

Scriptures | Hebrews 6:18 and Isaiah 55:8

Heal Life's Hurts

You know one reason we know that God is sovereign, because there are some things only He can do you know, there are things that He reserves only for Himself. And healing life's hurt is reserved for the Holy Spirit only. It's clear we hurt. Just look at what we do daily to lessen the pain of our hurts we control, we lie, we overeat, we have compulsive habits, we steal, we are jealous, we seek sources of peace outside of God like yoga and psychics, we use drugs, we overspend, we choose depression, we act religious, we turn on ourselves and self destruct, etc. As you know, the list goes on and on. The nugget taught in this section is simply how the Father's touch brings a lasting healing to what you've been trying to fix for a very long time.

Scriptures | Isaiah 61:1 and Exodus 15b:26

Freedom

Every human around the world wants freedom. Traditionally when one thinks of freedom, the mind usually goes to what form of government a city or country has. Well God offers a freedom that's for certain to settle a lot in your life. As Christians, we understand that satan's plight is to steal, kill and destroy each person. Well there are some common ways satan chooses to steal our joy. And Beloved reader, these ways aren't even that creative because he repeats them from generation to generation.

However, let's shift the focus to God. God is free and for those of us who are His children, He has freedom already available for us. Teaching this and demonstrating this in the seminar is exceptionally rewarding because lives are changed.

Scriptures | John 8: 36 and I Peter 5:8

Now, the additional benefit of this seminar is each participant actually gets to receive ministry and provide ministry on an attendee. You don't have to get nervous. There will be a qualified team working with you the entire time this activation is going on. And you know what, this will be a safe environment and the Holy Spirit is still in charge.
